The basis on which the Financial Secretary calculates that the value of the scholarships which the Mysore children may ultimately expect would be Rs. 130/- per mensem and that of the scholarships to be recommended for the present Rs.50/- per mensem may kindly be explained.

It may also be ascertained if the Chief Commandant has taken into consideration fully the cost of maintenance as well in fixing the values of each scholarship because vide para 5 of the rules of the Fund.

C.S. 16.5.18

The pros-pectus states that the scholarship is to be granted to those who have fallen or been permanently disabled in the war. The Ch. Comdt's letter is silent on the point as to the cause for granting leave to the petitioner's father; nor does it mention of what he died and whether death was due to any wound & illness contracted while on duty in the front. If so, there seems to be no objection to grant a Scholarship. The Ch. Comdt has recommended only one name, and it is for consideration whether Sreenivasa Rao's name may not be included.

THE RESIDENCY,

BANGALORE.

~~8th February 1919.~~
1st March 1919.

Dear Mr. Banerji,

I am desired to forward a copy of a demi-official letter dated the 31st January 1919, from Mr. J. E. Woolacott, Honorary Secretary, Silver Wedding Fund, and to request that the Hon'ble the Resident may kindly be favoured at an early date with the nominations, if any, which the Durbar may propose to make for the scholarships under the Fund.

Yours sincerely,

A. R. Banerji, Esq., I.C.S.,
Offg. Dewan of Mysore.

Silver Wedding Fund.

Hotel Cecil, Delhi

31-1-1919.

Dear Mr. Cobb,

It is proposed to award as a provisional measure a number of scholarships under the Silver Wedding Fund. The suggestion has therefore been made that any urgent cases in which scholarships might reasonably be given should be reported at an early date.

The principles which will ultimately guide the allocation of funds have not yet been decided. But it would be useful if some indication could now be afforded of the amount which in future years is likely to be required for the award of scholarships of the kind contemplated in the prospectus issued when the appeal for contributions was first made. A copy of this prospectus is enclosed.

Yours sincerely,

Sd. J. E. Woolacott,

Honorary Secretary.

SILVER WEDDING FUND
to commemorate
Their Majesties' Silver Wedding.
President,
HER EXCELLENCY LADY CHELMSFORD, C.I., G.B.E.

The Silver Wedding Fund has been started as the result of the desire of the women in India, both Indian and European, to offer to the Queen-Empress some token of loyalty and affection on the occasion of the 25th Anniversary of Their Imperial Majesties' Wedding.

2 Her Majesty has graciously consented to receive such a gift and has desired that it should take the form of a sum of money, to be devoted to the education of the children of Indian soldiers who have fallen or been permanently disabled in the war.

3 The Government of India have undertaken responsibility for the early education of such children, but a gift of this nature will prove of inestimable value, by providing Scholarships for those who show special ability and can suitably proceed to higher education.

4. It is intended that the Fund shall be administered by Trustees to be appointed by Her Excellency Lady Chelmsford. The Trustees will receive the nominations for Scholarships from Provincial Committees. These Committees will be associated with the educational authorities in each Province.

5 It is further intended that the amount allocated for Scholarships shall be sufficient to provide fully for the maintenance as well as for the education of the recipients.

6 Should sufficient funds be available it is proposed to found Scholarships on the following lines:-

(1) A two years' course in a High School.
(2) A four years' course in an Arts College.
(3) A few special Scholarships in (a) Technical Schools, (b) Technical Colleges, (c) Vocational Institutions, and (d) Women's Medical Colleges.

An adequate number of Scholarships in each of these branches,

including

including, in the case of Technical Institutions, something to provide the cost of initial equipment, would require a capital of about 13 lakhs on the assumption that the award of scholarships would continue year by year over a period of twenty years. This capital would gradually be paid out along with the interest

Some special consideration will be given to applicants from the territories of Indian Princes and Chiefs

"C O P Y"

SIMLA, 6TH JULY.

The silver wedding day of Their Imperial Majesties the King-Emperor and the Queen Empress is celebrated to-day. Knowing the anxiety of all women in India to express their loyalty and devotion to the persons of Their Imperial Majesties by making a gift suitable to this occasion I asked Her Majesty whether she would accept such a gift and would graciously signify the purpose to which she would desire to devote it. The Queen has been pleased to express her willingness to receive a silver wedding present from the women of India and desires that the gift should be devoted to the benefit of His Imperial Majesty's Indian subjects. She has further expressed her desire that the contributions made should form a fund for promoting the education of the children of Indian soldiers who have fallen in the war.

Her Imperial Majesty's decision in this matter will be hailed with pleasure by the women of India, for no nobler object could be contemplated than the relief of the families of those soldiers who have fallen in the common cause for which the British Empire and its Allies are now fighting. Though it is true that the early education of such children will be undertaken entirely by the State yet a gift of this nature will be of great assistance in supplementing the action of Government by providing special scholarships to be granted in the higher stages of education. By giving the name of "silver wedding scholars" to the recipients the memory of this auspicious occasion will be perpetuated.

I am convinced that the occasion and this proof of Her Majesty's solicitude for the welfare of the Indian people will call forth a loyal and enthusiastic response among the women of India of all races and of all classes and that notwithstanding the many calls upon generosity at this time of special trial the gift will prove worthy of Her Majesty's acceptance.

The precise arrangement regarding the utilisation of the endowment will have to be carefully considered. I look forward to receiving advice and help in the eventual disposition of the scholarships. I trust, however, that their benefit will be extended to the territories of Ruling Princes and Chiefs and further that some special provision will be made for the daughters of fallen

Sir

With ref. to your letter No. 2900 & 10/9/19 re the eligibility of certain candidates for S.W. Scholarships, I write to state that no information has been furnished in your letter about Regimental Duffedar Major Seshagiri Rao, M.G.S. Lancers. It is stated that he retired on account of illness, but it is not clear whether the illness was contd in the field.

2.) In your letter No. 1057 31st July 1919 it is stated that candidates Sl. nos. 4, 5, 7 & 8 are related to

Retired on account of old age.

Members of D.S. Lancers retired from the service on account of illness. But in your letter under acknowledgement, it is stated that Lance Duffedar Syed Booden & Duffedar Khaja Binahan are still on service.

Still in service.

Discharged due to misapprehension

3) Further it is stated in your letter of 31st July 19 that none of these have disabled permanently; but from the enc. to your letter under acknowledgement it is seen that Duffedar Mir Zainalabdin has been discharged on pension, his pension illness being due to field service. Of a main contract illness in the field and is disqualified for further service and is consequently retired, is he not to be

taken as disabled permanently for the purpose of the rules under which I. W. Scholarships are admissible. The discrepancies may kindly be explained.

Dear Sir,

With reference to your letter No.Fl.2215 dated 22nd Septembe 1919, I write to state that Regimental Duffedar Major Sheshagiri Rao of Imperial Service Lancers was invalided from Field on account of " Old age and debility " and has since been retired on pension from 23rd August 1919.

2. Relatives of candidates No.7 and 8 viz. Resaldar Hanumantha Rao Powar Bahadur and Regimental Duffedar Major. Sheshagiri Rao are on the retired list. The relatives of candidates No.4 and 5 are reported to be still in service. My letter dated 31st July 1919 was written under the misapprehension that the candidates were relatives of other Non-Commissioned Officers of same names who had retired from service.

3. With reference to para 3 of your letter I should state that the disability contemplated in para (2) of the prospectus of Silver Wedding Fund seems to be the sustaining of bodily injuries rendering the individual incapable of earning a livelihood. None of the individuals in question have sustained such injuries.

Resaldar Hanumantha Rao Powar was invalided on account of illness of which he was cured on return to India. He was declared fit for service but retired of his own accord.

Regimental Duffedar Major Sheshagiri Rao was retired on account of old age and debility he having completed full service for maximum pension of his rank. Duffedar Zainalabdin was found unfit on account of Pyorrhea Alniolaries a decease of the teeth.

Though these are sufficient causes for retirement they do not amount to positive disabilities.

4. Information as to the daughters if any of dead or disabled men has been called for from Officer Commanding Depots and will be furnished to you in due course.
